**Request for Proposal for Joint Venture in Onshore Drilling Services  
with Myanma Oil and Gas Enterprise**

Date: March 24, 2017

MOGE is a state-owned enterprise which is responsible for the upstream oil and gas sector under the Ministry of Electricity and Energy ("**MOEE**") of the Republic of the Union of Myanmar. MOGE intends to establish a joint venture with an internationally proven service company in onshore drilling services. The main goals are to strengthen MOGE's technological know-how, upgrade its workforce, gain access to financing, adopt international best practices and widen market access.

MOGE had initially launched a public invitation for interested parties to submit a Letter of Expression of Interest ("**LEOI**") for a Joint Venture in Onshore Drilling Services with MOGE in June 2014. MOGE is now launching this Request for Proposal ("**RfP**") in the form of an open tender to interested parties, including but not limited to LEOI respondents from the LEOI exercise conducted in June 2014, to submit a response to this Request for Proposal (the "**Application**"). In this context, MOGE intends to select a suitable internationally proven drilling services company as the "**Joint Venture Partner**" through a step-by-step process: Phase 1: Request for Proposal; Phase 2: Evaluation Process; and Phase 3: Negotiations and Signing.

Interested parties are required to submit an Application **no later than 3 PM, local time (Nay Pyi Taw, Republic of the Union of Myanmar), on April 24, 2017** to the following address: **MOGE Tender Committee for Joint Venture Establishment in Petroleum Services (Drilling)**, Complex 44, MOGE Office, Nay Pyi Taw, Republic of the Union of Myanmar.

The RfP, which includes guidelines for submission, can be purchased by any interested party starting March 24, 2017 (excluding Saturdays, Sundays and Public Holidays) at Complex 44, MOGE Office, Nay Pyi Taw, Republic of the Union of Myanmar for a non-refundable cash payment of five hundred United States Dollars (USD 500). The purchaser will be provided with a payment acknowledgement when payment is made. Only Applications from Applicants that had purchased the RfP document officially from MOGE will be evaluated.

Interested parties who have purchased the RfP are welcome to submit questions regarding the RfP and comments on the draft Joint Venture Agreement attached in its annex, **no later than 12 PM, local time (Nay Pyi Taw, Republic of the Union of Myanmar), on April 4, 2017**, to which MOGE will duly respond to all questions submitted and issue a revised draft Joint Venture Agreement.
